

2022 Route 66 Covid-19 Protocols

This document is intended to be a guide to skippers and crew and refers to the current Covid-19 protocols.

Under the current covid-19 protocols this race can proceed

Boats.

It will be the skippers decision to participate in the race and they will decide who they allow on their crew.

Marsden cove Marina

It is mandatory to use masks and QR scanning on the piers and the wider marina precinct. All the commercial businesses within the precinct operate covid-19 protocols, the use of masks are mandatory and your vaccine pass may be requested for viewing on entering some venues.

Showers and Toilets

Marina showers and toilets will be available. Check back soon for the PIN Code. You must scan in and use responsible social distancing.

Breakfast.

A \$10 Breakfast will be available to all skippers and crew from 0800 Saturday morning and will be served in a takeaway pack. In order to comply with the Covid 19 protocols tables will be spaced out within the marquee [Weather dependent tables may also be outside] Face masks should be worn while inside and before you are seated. QR codes will be available for scanning. Please have your vaccine pass available for viewing if you wish to eat inside.

Prizegiving

Prizegiving will be limited to the Skipper or boat representative only and will be held at 0930 at one end of the Marquee.
