

NOTICE OF RACE

Friday 1 March 2024

The Organising Authorities (OAs) are the Richmond Yacht Club, Inc (RYC)
and the Onerahi Yacht Club, Inc (OYC) .

1.0 RULES

- 1.1 The race will be governed by the rules as defined in the Racing Rules of Sailing (RRS).
- 1.2 The Yachting New Zealand Safety Regulations (YNZ SR) Part II Category 4 (Cat 4+) and Trailer Yacht Category A (Cat A+) shall apply, with additional requirements as specified below:
- 1.3 In addition to meeting Cat 4, all yachts must:
 - Carry lifebuoys that meet YNZ SR Cat 3.
 - Be fitted with lifelines (or equivalent) to meet YNZ SR Cat 3 standards.
 - Have securely fitted jackstays to YNZ SR Cat 3 standards
 - Carry a floating grab bag containing: a Cat 4 flare pack, a 406MHz EPIRB or PLB, a waterproof floating torch, a waterproof cell phone (or one in a waterproof case), or a waterproof handheld VHF (required if the boat is not fitted with a fixed VHF).
- 1.4 The Organising Authorities strongly recommended that ALL yachts carry a dinghy (or life raft) to meet YNZ SR Cat 3 standards.
- 1.5 Additional requirements for Singlehanded skippers, Two Handed and CAT A+ Skippers and crew sailing without lifelines :
 - Singlehanded Skippers, Two handed and CAT A+ Skippers and crew are required to wear an appropriate personal flotation device while racing. e.g. a New Zealand Standard 5823:2005 inflatable type 401 150N lifejacket with crotch strap
 - Singlehanded skippers are required to [and we strongly recommend Two Handed crew also] carry, on their person during the race, the means to self-initiate a 3rd party rescue in the event that they become unable to sail singlehanded or fall overboard. Appropriate equipment would include marine communications equipment such as a waterproof handheld VHF marine radio, a cell phone in a dry-container that can be operated while kept dry, or a registered 406 MHz marine EPIRB/PLB. A personal AIS transponder, whistle, light or signalling mirror may be carried but will not meet the requirement to be able to self-initiate a 3rd party rescue.
- 1.6 The Organising Authorities recommend that ALL competitors wear lifejackets that meet New Zealand Standard 5823:2005 (inflatable type 401 150N) with a crotch strap whilst underway. All crew are recommended to be clipped into jackstays before leaving the safety of the cockpit.
- 1.7 The RRS will be changed in accordance with RRS Rule 86 as follows:
 - RRS Rule 29.2 is changed so that in the event of a General Recall the recalled division will be restarted five minutes after the last scheduled start.
 - RRS Rule 51 is modified to allow boats with moveable/variable ballast systems and/or canting keels to compete.

- RRS Rule 52 'Manual Power' shall not apply.
- Where a boat is sailing singlehanded or Two Handed, an autopilot self-steering system may be used. This modifies RRS Rule 52.
- Other changes to the RRS will be notified in the Sailing Instructions.

1.8 Control of the race will pass from RYC to OYC immediately following the start of the last division.
