

Gulf Triangle SAILING INSTRUCTIONS 2024

The Organising Authority is Richmond Yacht Club, Inc (RYC)

1.0 RULES

- 1.1 The race will be governed by the rules as defined in the Racing Rules of Sailing (RRS).
- 1.2 The Yachting New Zealand Safety Regulations (YNZ SR) Part II Category 4 (Cat 4+) and Trailer Yacht Category A (Cat A+) shall apply, with additional requirements as specified below:
- 1.3 In addition to meeting Cat 4, all yachts must:
 - Carry lifebuoys that meet YNZ SR Cat 3.
 - Be fitted with lifelines (or equivalent) to meet YNZ SR Cat 3 standards.
 - Have securely fitted jackstays to YNZ SR Cat 3 standards
 - Carry a floating grab bag containing: a Cat 4 flare pack, a 406MHz EPIRB or PLB, a waterproof floating torch, a waterproof cell phone (or one in a waterproof case), or a waterproof handheld VHF (required if the boat is not fitted with a fixed VHF).
- 1.4 The Organising Authority strongly recommends that ALL yachts carry a dinghy (or life raft) to meet YNZ SR Cat 3 standards.
- 1.5 Singlehanded skippers are required [and two-handed crew are strongly recommended] to carry, on their person during the race, the means to self-initiate a 3rd party rescue in the event that they become unable to sail singlehanded or fall overboard. Appropriate equipment would include marine communications equipment such as a waterproof handheld VHF marine radio, a cell phone in a dry-container that can be operated while kept dry, or a registered 406 MHz marine EPIRB/PLB. A personal AIS transponder, whistle, light or signalling mirror may be carried but will not meet the requirement to be able to self-initiate a 3rd party rescue.
- 1.5 Competitors are required to wear lifejackets that meet New Zealand Standard 5823:2005 (inflatable type 401 150N) with a crotch strap whilst underway. Additionally skippers are recommended to be clipped into jackstays before leaving the safety of the cockpit.
- 1.6 The RRS will be changed in accordance with RRS Rule 86 as follows:
 - RRS Rule 51 is modified to allow boats with moveable/variable ballast systems and/or canting keels to compete given they comply with YNZ Safety Regulations 6.1(K) and 6.2(K).
 - RRS Rule 52 'Manual Power' shall not apply.
 - For the start at Westhaven, any boat running its motor in gear after its preparatory signal may proceed to the western side of the Harbour Bridge via the main navigation span, stop its engine and re-enter the starting area via the main navigation span under sail alone. This modifies RRS Rule 42.3(i). This does not apply for starts at Narrow Neck.
 - Where a boat is sailing singlehanded or two handed an autopilot self-steering system may be used. This modifies RRS Rule 52.
- 1.7 Between sunset and sunrise the International Regulations for Preventing Collisions at Sea will apply, replacing the relevant rules of the RRS. It is compulsory to display the appropriate navigation lights between sunset and sunrise.
- 1.8 Boats entering the race shall have current registration with YNZ and must display their correct registration numbers on sails in accordance with the RRS. Incorrect sail numbers must be declared.
- 1.9 If any damage is caused, however minor, to a Ports of Auckland or Port Whangarei, red or green, buoy or beacon, the boat shall immediately retire and the skipper shall inform the Race Officer or

the Auckland Harbour Master Duty Officer (phone 09 362 0397) or NRC Hotline for Whangarei Harbour Master (phone 0800 504 639) of the occurrence and the extent of the damage to the buoy or beacon.

- 1.10 Competitors shall abide by harbour regulations, including the '500 ton rule', or risk disqualification. In accordance with RRS 42.3(i) a boat racing may use its engine after grounding provided the boat does not gain an advantage in the race. In addition, a boat racing may use its engine to comply with harbour regulations to give way to a vessel under pilot provided the boat does not gain advantage in the race. Any use of engines during a race shall be notified to the Race Officer. Refer to these websites for shipping movements: <https://www.poal.co.nz/operations>
<https://northport.co.nz/inportpage/northportships>
- 1.11 Should there be any conflict between the NOR and these SI, the SI shall prevail.
